Forecast For Northern Ireland
Issued by Met Office Aberdeen
at 0400 on Tuesday 06 Apr 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Bright or clear spells and wintry showers.

Today:
Another day of sunny intervals and occasional wintry showers of hail or snow, mostly around the North coastal areas. Further accumulations on hills but generally melting on roads by day. Cold northerly winds. Maximum temperature 5 deg C (41 deg F).

Tonight:
Snow showers becoming less frequent during the evening and winds easing with a few clear spells but more in the way of cloud later in the night. Minimum temperature 0 deg C (32 deg F).

Wednesday:
Less cold on Wednesday with Sunny spells and a few isolated wintry showers, mostly confined to coastal areas. Cloud thickening later, then rain preceded by hill snow in evening. Maximum temperature 8 deg C (46 deg F).

Outlook for Thursday to Saturday:
A dry start on Thursday but some rain later and winds strengthening again. Colder with wintry showers on Friday and Saturday.
